

The Teacher Modules consist of short (2-hour), after-school sessions for K-6 teachers throughout the school year.

The modules are designed to reinforce core knowledge in reading/language arts. Each module addresses a significant component related to content and/or instruction in order to develop students' proficiency in reading and writing.

All module work can be counted as SB 472 Follow-up Practicum hours.

Professional Development Series for Reading/Language Arts Teachers

Teacher Module Workshops

Universal Access: *Teaching Small Groups*

- What universal access requires
- Why small-group teaching is critical for ensuring universal access
- How to identify needs, content, and adjustments that maximize differentiated instruction during teacher-led groups
- Which students need more explicit and intensive small-group teaching
